### Transfer stage between the Sondalo and Rezzalo Valley.

Relaxing transfer route between stages 5 and 7, following the Valtellina trail to the hamlet of Le Prese and then progressing on the municipal road to

Fontanaccia, at the mouth of the Rezzalo valley, passing through the quaint villages of Frontale and Fumero.

Recharge points: Palazzetto dello Sport in Sondalo.

#### Author's recommendation

*The classic route that passes through the Scala Piana mountain pasture is recommended only for experienced bikers who are ready to push the MTB for some very steep sections between the hamlet of Mondadizza and the Scala Piana mountain pasture. The original route, which coincides with the trekking route, is this: Bormio 360 Stage 6 Trekking*

#### Safety information

The section from Mondadizza to Scala is steep, with small sections where the bicycle must be pushed or carried. If travelled in the opposite direction, it is of a high technical grade due to the steep gradient and the paved surface.

## Additional information
